

AMERICAN YACHT WINS

The First Race Over the Shamrock by Three-Quarters of a Mile.

Columbia Crossed the Line First, With the Shamrock Less Than a Second Behind -- Yachts Run Home Before a 14 Mile Wind -- Columbia Led the Race from the Start.

The Shamrock Had the Better Position at the Start But the Yankee Captain Outsailed the British.

By Associated Press to the Journal. HIGHLANDS, off Navosink 9:55--The weather is clearing and the wind is now blowing about ten knots.

LONG BEACH, 12:21--Columbia is now over a mile ahead of the Shamrock.

FAR ROCKAWAY, Oct. 16.--At 2:01 p. m.--The Short Beach life saving station reports having heard two whistles eight minutes apart and they suppose the yachts turned the stake boat at about those intervals.

SANDY HOOK, Oct. 16.--At 2:15 p. m. the wind shifted to the east by north east, fourteen miles an hour.

At 2:48 p. m. the Columbia's lead is about one and a half miles. The yachts are now running home before the wind.

NEW YORK, Oct. 16.--Columbia wins first international yacht race. Shamrock three quarters of mile behind.

Details of Race.

By Associated Press to the Journal. NEW YORK, Oct. 16.--The yachts were jockeying about the start with mainsails and top sails up when the warning gun was fired.

The boats had so timed themselves that both crossed within a minute and almost together, the Shamrock with a slight advantage.

Promptly at 11 o'clock the starting gun was fired and immediately the Columbia's jib top-sail was shaken out.

The racers were then close to the line and as she trimmed her main sail, aft more, Captain Barr worked his boat out across the Shamrock's stern and was in a better position.

On the beat down to the outer mark the Columbia outpointed and outfoeted the Shamrock and gained on every tack. She turned the stake boat nine minutes and 47 seconds ahead of the Shamrock. The official time of the turn of the Columbia was 1:48:49; Shamrock, 1:58:06.

Capt. Barr did his turn in a trice and as he started to go around the Columbia's spinnaker boom went down on the instant.

There were loud shouts of joy from the watchers as she started for home. All they had to do was to ease off her sheets.

After the Shamrock had rounded the outer mark her lighter canvass was broken out in good shipshape fashion and, one and a half miles to the rear, she set after Columbia, homeward bound.

The official time at the finish was Columbia 3:54:59; Shamrock 4:05:10. The result is a complete victory for the American boat, American skipper and the American crew.

The Columbia surprised even those who knew her best. At no time after she began to pull away to the windward, ten minutes after the starting gun was fired, was the first race of the series in doubt.

FROM CHEMAWA

The Indian School Tailor Passed Away Sunday Morning. Axel Peterson, the head tailor at the Chemawa Indian Training school, died Sunday morning, Oct. 15, 1899, at the age of 40 years, after an illness of two weeks.

Mr. Peterson was one of the most popular and trusted employes of that institution. He leaves a wife and four children. He was a member of the Unitarian church.

Funeral services will be held at McMinville on Tuesday at 1 o'clock and services will be conducted by Dr. Elliott, of the First Unitarian church.

Mr. Peterson has been employed at the school for 8 years during which time he has turned out a great many first-class tailors.

FIGHT AT KIMBERLY.

Boers Have Advanced to Within a Few Miles of Dundee.

Martial Law About to be Proclaimed at Capetown -- Refugees Looting and Mobbing Prominent Dutchmen -- Boers Closing On the British Outposts.

Nearly All Telegraph and Railroad Communication Cut Off and News Hard to Get -- Kimberley Besieged -- Heavy Rains and Snow Reported Which Hamper Military Movements.

By Associated Press to the Journal. LONDON, Oct. 16.--The gradual cutting off of telegraphic communication with South Africa reduces the amount of accurate news obtainable to a minimum. Thus far no reliable information has been received of any actual fighting except at Kraaipan and an occasional exchange of shots at various outposts.

The only salient facts in this morning's telegrams are that the Boers have advanced beyond Newcastle and formed a laager near Danuser, about 12 miles north of Dundee and that Kimberley is isolated and probably invested. Kimberley has thus become the immediate center of interest. The last message from Kimberley prior to the cutting of the telegraph and railway by the Boers said: "All troops at Kimberley are well."

CAPETOWN, Oct. 16.--The Orange Free State troops have cut the telegraph wires and destroyed the railroad track at Norval Spont, just across the Free State border.

A dispatch from Dundee, Natal, says the Boer command, estimated at 2,000 men with sixteen field guns, has reached Dampasser, with the probable intention of surrounding Dundee and cutting off the garrison from communication with Glencoe and Ladysmith.

The Boer force from Newcastle is believed to be marching around Glencoe to sever its connection with Ladysmith. Refugees in Capetown threaten to become troublesome, and have looted and mobbed a number of leading Dutchmen. The expectation is that martial law will be proclaimed.

LONDON, Oct. 16.--Many stories of brisk fighting at Kimberly are in circulation, but although the forces are likely to have come in contact, all alleged details must be regarded as premature and speculative.

The alleged virulence of the Boer attacks upon Mafeking and Kimberly are readily understood when it is realized that Bechuanaland is to the Boers what Alsace-Lorraine is to France.

On the other side of the country the Boers are closing around British outposts and have already exchanged shots therefore more stirring news is expected.

It is assumed that the refusal of the Boers to accept battle in Natal last week indicates their unwillingness to commence hostilities. On the other hand, the Boers are probably too astute to play the British game at the risk of an engagement on ground where artillery could be brought into play and moved rapidly.

TWO GAZETTES ISSUED

British Proclaim Martial Law and Re-imposed Subjects of Obligations.

DURBAN, Oct. 16.--Two extraordinary gazettes have been issued. The first proclaims martial law in Newcastle, Dundee, Klip River, Umsiga and Upper Tugela divisions. The reason given is a belief that Natal subjects have joined the invading Boers and assisted the enemy.

The other gazette reminds British subjects of their obligations to the queen, and warns them to abstain from intercourse and trade with the Transvaal or Orange Free State.

KIMBERLEY BESIEGED

List of the Telegrams That Arrived Sun Jay Evening.

By Associated Press to the Journal. LONDON, Oct. 16.--So far as actual news is concerned, very little change in the situation is noticed. The state of affairs at Mafeking can only be conjectured. The occupation of Newcastle by the Boers was prepared for and expected, the place having been abandoned by the British. The Boers are reported to be menacing Kimberley.

SYNOD ADJOURNED.

Work Was Finished Saturday Instead of Today.

The business of the Presbyterian Synod was wound up Saturday afternoon in one-two-three order, and the reverend gentlemen and elders composing that body have scattered to their several homes.

A great variety of business was transacted on Saturday afternoon, and as it was seen to be possible to clear the docket without letting anything go over for Monday, no time was frittered away.

Among the matters reported on was the debt of the Albany College, about \$4,500. Nothing had been done for this during the past year, but an effort will now be made to reduce the indebtedness.

A new permanent committee, the members of which will serve three years, was created, on Young Peoples' Societies.

Rev. W. S. Holt was appointed a delegate to the World's conference of missions, which will meet in New York City in 1900.

Rev. W. R. Winans addressed the synod on the work of the American Sabbath School Union, and Rev. G. F. West told of the labors of the Oregon Bible Society.

Reports showed that three new churches had been added to the synod during the year.

A resolution changing the time of meeting of the synod from Thursday to Tuesday was voted down, and Portland was fixed upon as the next place of meeting. A resolution was then passed adjourning the synod at the close of Sunday's services.

The evening meeting in the interest of foreign missions was well attended and was addressed by Mrs. I. L. McCommon, Miss Edna Protzman and Rev. W. Gilbert.

The program for Sunday was carried out as planned. Various pulpits of the city were filled by members of the synod, and the exercises, morning and evening, at the Presbyterian church, were especially interesting.

Chaplain W. S. Gilbert, one of the prominent figures of the synod, went home today. Seen by a reporter he said: "I have accepted a call to Calvary church, subject to the approval of the Presbytery. We have all had a good time at Salem. There has been good feeling throughout the sessions. The utmost harmony and good fellowship has prevailed. There has been no spirit of discord or controversy manifested in our proceedings. The reports showed the affairs of the church all over Oregon to be in a prosperous condition. The debts of our principal churches at Portland, Salem and Eugene are paid off. The debts of all the different boards are paid. Their attitude on political and spiritual matters, he said with a smile, they would let the press define.

INDIAN TROUBLE IN ARIZONA

Uprising Precipitated By Soldiers at the San Carlos Agency

By Associated Press to the Journal. WASHINGTON, Oct. 16.--The war department has received dispatches from General Merriam regarding a possible outbreak in the San Carlos Indian Agency, Arizona. The first reads:

"Denver--The commanding officer at San Carlos reports that on Friday night about 12 a detail of the command made an attack on four peaceful Indians, beating them severely. There is bad feeling among the Indians."

A later dispatch says: "I have ordered Col. Keizer, of the Tenth cavalry at Fort Grant to proceed immediately to San Carlos and investigate the disturbance between the soldiers and the Indians. I have also ordered a troop of cavalry to follow him as soon as possible and take a temporary station there."

SERIOUS WORK IN ILO ILO.

Insurgents Plan to Attack the City and Slaughter Americans

By Associated Press to the Journal. MANILA, Oct. 16, 9:10 a. m.--Mail advices from Ilo Ilo state that there is great tension between the Visayans and Tagalos, growing out of the Tagalos holding Arents, a leader of the Visayans, a prisoner, since the threatened Visayan revolt against Tagalo dominion a month ago.

The Visayans are incensed to the point of rebellion. While the Tagalos nominally control only the military organization of the so-called Philippine Republic, they have crowded out the Visayans from the civil branch, where there is great discontent.

The Tagalos are reported to be concentrating the troops in Panay at Santa Barbara, where Delgado, chief of the revolutionary government commands, with a view to pitting themselves in a position to suppress the Visayans.

Four thousand Tagalos, who have been held in reserve at Capiz, in the northern part of the province of Panay, last week embarked in cacons, the fleet's purpose being to land at Concepcion, whence the troops would march to Santa Barbara. Adverse winds prevented the landing, however. General Pallen's force from Buena Vista is also reported to be going to Santa Barbara.

The insurgents will have 12,000 men and 3000 or 4000 rifles there. General
